

LE-MATH: Learning Mathematics through new communication factors

LE-MATH
Meeting 2
23-26 March 2013, Bucharest, Romania

Agenda

Emergency Contact number for Gregory Makrides: +357 99641843

We will send information about transport from Bucharest International Airport to the Marriott Hotel, Bucharest

Accommodation: Marriott Hotel, Bucharest

Date and Time	Action	Presenter -Comments
Saturday 23 March 2013		
All day	Arrivals at Marriott Hotel Transfer information from the airport will be communicated.	
	Individual Dinner arranged independently	30 euro will be given to each participant
Date and Time	Action	Presenter-Comments
Sunday 24 March 2013 (meeting room TBA-to be announced)		
9.00-9.30	Introduction of new participants P1 Cyprus Mathematical Society (Gregory Makrides, Philippou Andreas) P2 THALES Foundation(Andreas Skotinos, Peter Kenderov, Elpida Christou) P3 Charles University (Jarmila Novotna) P4 Loidl-Art, Austria (not represented) P5 VUZF, Bulgaria (Sava Grozdev) P6 "CALISTRAT HOGAS, Romania (Circu Nadia) P7 Lyckeskolan Sec School Sweden(Malin Lydell Manfjard) P8 LEOLAB, Spain (Marta MUÑOZ) P9 Junior Mathematical Society Miskolc Hungary (Peter Kortesi) P10 European Office of Cyprus, Brussels (Rosemary Strevinioti) P11 Collège Saint Charles (Katell Treguer) P12 NTUA –National Technical University of Greece(Kostas Karpouzis) P13 COM2GO (George Economides, Natasa Nirou)	Partner participants invited in this meeting

9:30-11.00	WP2 First Draft of results	
11:00-11:30	Coffee Break (Market place open...bring traditional sweets to exchange)	
11.00 – 13.00	Discussion of WP2 What ideas we collect from the results for the development of methodologies for WP3 and WP5?	Wkpackage 2: Novotna Jarmila, (CZ)
13.00-14.30	LUNCH at the hotel	All
14.30-18.00	What we will discuss in meeting 2 : Workpackages (implementation of plan by each work package leader, progress ,sequence WP2, WP3, WP5, WP6, WP7, WP8, WP1, WP4), deliverables, dissemination plan implemented to date, promotion activities and tools planned and developed planning the work for Monday	Wkpackage 1: Makrides Gregory,(CY) Wkpackage 2: Novotna Jarmila, (CZ) Wkpackage 3: Treguer Katell (FR) Wkpackage 4: Loidl Helmut (AT) Wkpackage 5: Karpouzis Kostas (EL) Wkpackage 6: Economides George (CY) Wkpackage 7: Lydell Manfjard Malin (SE) Wkpackage 8: Skotinos Andreas, (CY) Wkpackage 9: Makrides Gregory,(CY)
16.00	Coffee break	
18.00	External Evaluation	Lucas Zinner , University of Vienna
20.00	Dinner TBA	

Date and Time	Action	Presenter-Comments
Monday 25 March 2013 (Meeting room TBA)		
9.00-12.00	WP6 discussion	Wkpackage 6: Economides George (CY)
11:00	Coffee during work	
12.00-13.00	Ethic Issues	Wkpackage 1: Makrides Gregory,(CY)
13.00-14.30	LUNCH	At hotel
14.30-16.00	WP7 Discussion	Wkpackage 7: Lydell Manfjard Malin (SE)
16.00-17.00	WP8 Discussion	Wkpackage 8: Skotinos Andreas, (CY)
17.00-17.30	WP4 Discussion	Gr. Makrides

17.30-18.00	WP1 Management issues	Wkpackage 1: Makrides Gregory,(CY)
16.00	Coffee during meeting	
18.00	External Evaluation	Lucas Zinner, University of Vienna
20.00	Dinner TBA	All

Thursday, 26 March 2013		
	Independent departures	

LE-MATH Work-packages , Deliverables and package leaders in charge

WKPK 1 Management, meetings and training course

MAKRIDES GR

Deliverable number	1 Project meetings
---------------------------	--------------------

Deliverable number	2 Progress Report
---------------------------	-------------------

Deliverable number	3 Final Report
---------------------------	----------------

Deliverable number	4 A course programme and registration under the Europa Course Base
---------------------------	--------------------------------------------------------------------

WKPK 2 Collection of related good practices in Europe and beyond

JARMILA NOVOTNA

Deliverable number	5 Collection of good practices inside and outside Europe
---------------------------	----------------------------------------------------------

WKPK 3 Development of theatre scenarios-stories with math elements and guidelines

KATELL TREGUER

Deliverable number	6 Guidelines for MATHeatre method
---------------------------	-----------------------------------

WKPK 4 Pilot Testing and Evaluation

HELMUT LOIDL

Deliverable number	7 Pilot testing and report
---------------------------	----------------------------

WKPK 5 Development of MathFactor Samples and Guidelines

KARPOUZIS KOSTAS

Deliverable number	8 Guidelines for the MATH-Factor method
---------------------------	-----------------------------------------

WKPK6 Web-site and platforms design, monitoring and translations
ECONOMIDES GEORGE

Deliverable number	9 Project Website and Social Network Platform
---------------------------	-----------------------------------------------

Deliverable number	10 On-line Support System
---------------------------	---------------------------

Deliverable number	11 Translated Documents
---------------------------	-------------------------

WKPK 7 Dissemination
MALIN LUDELL MANFJARD

Deliverable number	12 Project Promotional Material
---------------------------	---------------------------------

Deliverable number	13 Social Network
---------------------------	-------------------

WKPK 8 Evaluation and quality assurance
ANDREAS SKOTEINOS

Deliverable number	14 Evaluation Reports
---------------------------	-----------------------

WKPK 9 Exploitation
MAKRIDES GREGORY

Deliverable number	15 Exploitation Plan
---------------------------	----------------------
